

## Where's Rudolph?

As he pulled on his boots Santa spotted the note that Rudolph had left on the table:

If you want to find out where I'm having fun  
Solve these ten simple clues if you're able:  
Every word starts with a C,  
This is followed by O.  
The third letter spells the location  
Where sleigh bells are tinkling  
And my hooves are twinkling  
Creating a yuletide sensation.  
For a message in secret use clue number one,  
The second is forceful persuasion.  
To live side by side without strife is the third,  
And the fourth is a regal occasion.  
The fifth is a Russian,  
Number six goes with chips,  
And clue seven is something to spend.  
On the stage eight is worn,  
Number nine crows at dawn,  
And with ten we work for the same end.
